At Norbreck Primary Academy, the health and safety of children is of the highest importance to us. Parents and carers are informed of the school's policy in relation to jewellery at the Induction Evenings, during the induction meeting for non-routine admissions, in the School Prospectus, in the annual P.E. and Games letter and regularly during the year via the school's weekly newsletter.

Children may wear simple plain stud earrings in school **BUT** no other forms of jewellery. This means items such as bracelets, charity wristbands and necklaces cannot be worn, unless for medical or religious reasons, and then only after discussion with the Headteacher.

Non-smart wristwatches may also be worn but school cannot take responsibility for watches that are lost.

Where children do wear plain, stud earrings or a watch, these must be removed for health and safety reasons for:

- PE lessons
- Dance lessons
- Games and sport lessons
- Swimming lessons
- Extra-curricular activities involving the above type of activities
- Sports Day
- During Creative/ Themed Days
- For out of school activities
- During any other activity as notified by the teacher

Staff in school are not able to remove children's earrings and therefore parents and carers are asked to make sure that their child's earrings are taken out at home on PE, games, sport and swimming days and on any days that their child is taking part in an extra-curricular club which is for PE or sport.

School advises parents and carers that their child should not take out their own earrings themselves whilst they are in school; if they do so then they are responsible for these items themselves as staff are not able to look after earrings and the school will not be responsible for lost earrings.
